Feedback on Proposed Modifications to the Regulated Supply Service Code

<u>Modification Ref. No.</u>	<u>Section¹</u>	<u>Industry's Feedback</u>	<u>EMA's Assessment</u>
RSSC/2005/3	4.3.3	<p>SP Services:</p> <p><i>We would like to propose the following amendment:</i></p> <p>Where a Market Support Services Licensee has discontinued, or directed the Transmission Licensee to discontinue the flow of electricity to any non-contestable consumer's domestic premises in accordance with sections 4.2.3 and 4.2.4, the Market Support Services Licensee shall, in the case where the consumer is or will be on the Prepaid Metering Scheme, reconnect or direct the Transmission Licensee to reconnect the supply of electricity to the consumer as soon as reasonably practicable.</p>	Accepted. The clause will be further amended accordingly.
RSSC/2005/11	8.1.4	<p>SP Services:</p> <p><i>To include other government related charges for (c) for consistency for 8.1.2.</i></p> <p>Proposed amendment:</p> <p>A Market Support Service Licensee shall issue or arrange to issue a receipt to a regulated supply service consumer whose premises is installed with a prepaid meter, whenever the consumer makes payment in advance to the Market Support Services Licensee for electricity to be consumed. Subject to section 8.1.1, the receipt shall, at a minimum, list the following line items:</p> <p>(a) The amount tendered by the consumer;</p> <p>(b) The amount paid by the consumer for (partial) settlement of the overdue payment for regulated supply services provided by the Market Support Services Licensee, and</p>	<p>Accepted. The clause will be further amended as below:</p> <p>A Market Support Service Licensee shall issue or arrange to issue a receipt to a regulated supply service consumer whose premises is installed with a prepaid meter, whenever the consumer makes payment in advance to the Market Support Services Licensee for electricity to be consumed. Subject to section 8.1.1, the receipt shall, at a minimum, list the following line items:</p> <p>(a) The amount tendered by the consumer;</p> <p>(b) The amount paid by the consumer for (partial) settlement of the overdue payment for regulated supply services provided by the Market Support Services Licensee, and</p>
