

CORRIGENDUM NO. 1

DATE 21 May 2021

Smart Energy, Sustainable Future

Amendment to RFP Closing Date

EMA will extend the closing date of the Request-for-Proposal (“RFP”) to appoint an electricity importer to import 100MW via the existing Singapore-Peninsular Malaysia interconnector for a 2-year trial. RFP participants will now have to submit their proposals to EMA by **3pm Singapore time 30 June 2021** instead of 4 June 2021.

2. In view of the above, please note the following amendments to the document:

a. Section 3.1 shall be replaced by the following:

“Interested parties who wish to participate in the RFP (each a “Participant”) shall submit their proposals in accordance with the requirements set out in Section 4 (each a “Proposal”) by no later than the closing date on **30 June 2021 (“Closing Date”)**).

b. Section 5.9 shall be replaced by the following:

“All Proposals must reach EMA via email by no later than 3pm Singapore time on **30 June 2021 (“Closing Date”)**. Any Proposal submitted after the Closing Date will not be considered by EMA.”

c. Section 5.10 shall be replaced by the following:

“EMA will acknowledge receipt of all submissions electronically **by 4pm Singapore time on 30 June 2021**. Please promptly contact us if you have not received an acknowledgement of your submission by then.”
