About Singapore International Energy Week (SIEW)

Now in its 12th edition, the Singapore International Energy Week (SIEW) is a premier platform in Asia for energy insights, partnerships and dialogues, which brings together the world’s leading conferences, exhibitions and roundtables in one week, one location. SIEW enriches the global energy conversation by convening political, business, academic and energy industry thought-leaders to define and advance the world’s leading energy challenges, solutions and actions across the energy spectrum of oil & gas, clean and renewable energy, and energy infrastructure financing. Please visit www.siew.sg for further information.

About the Energy Market Authority (EMA)

The Energy Market Authority (EMA) is a statutory board under the Ministry of Trade and Industry. Our main goals are to ensure a reliable and secure energy supply, promote effective competition in the energy market and develop a dynamic energy sector in Singapore. Through our work, we seek to forge a progressive energy landscape for sustained growth.
